# Patty's Primary Songs

Interactive Learning

**KEYNOTE SPEAKER**

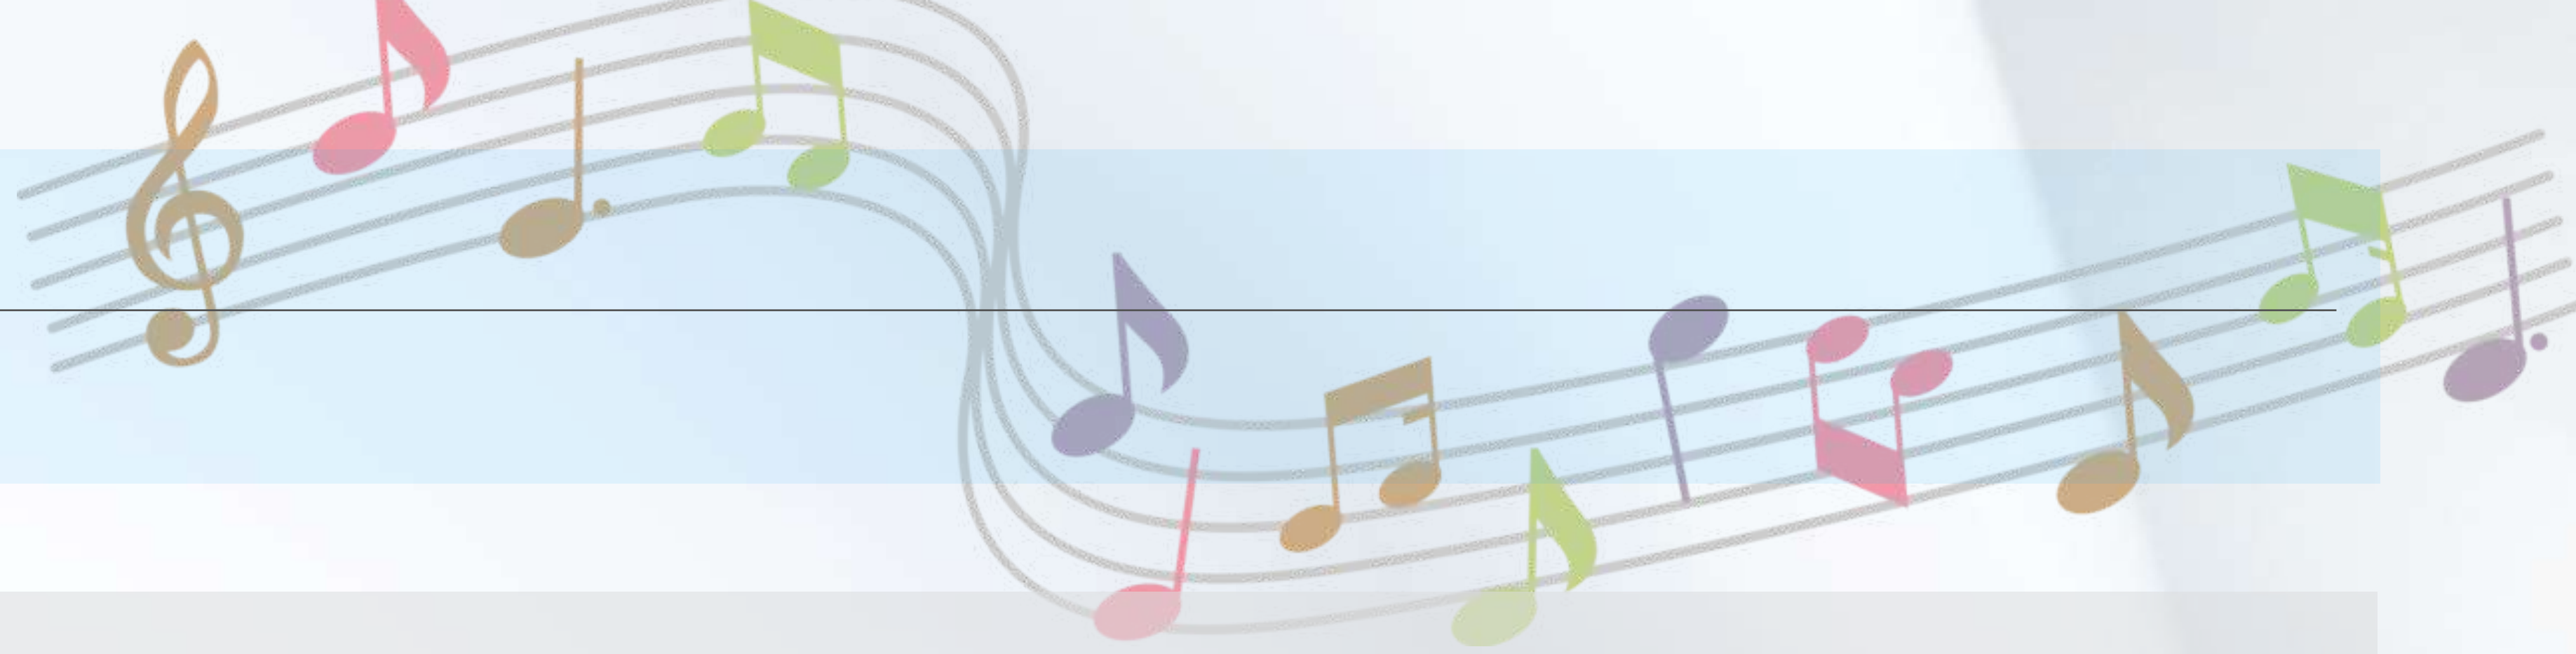

Miss Patty is an acclaimed American singer, songwriter, author and keynote speaker known for creating curriculum aligned music that enriches early childhood education. Since launching her YouTube channel in 2009, she has reached a global audience with engaging educational songs and videos that support literacy, math, social-emotional development, and motor skills. Her music is widely used by teachers and parents around the world. In addition to producing hundreds of songs, Miss Patty performs live, works with special needs students, and speaks internationally. Inspired by her three children, she is passionate about making learning a joyful, musical experience for young learners everywhere.

### KEYNOTE SPEAKER

#### Music Based Curriculum for Daily Development Skills in Early Childhood

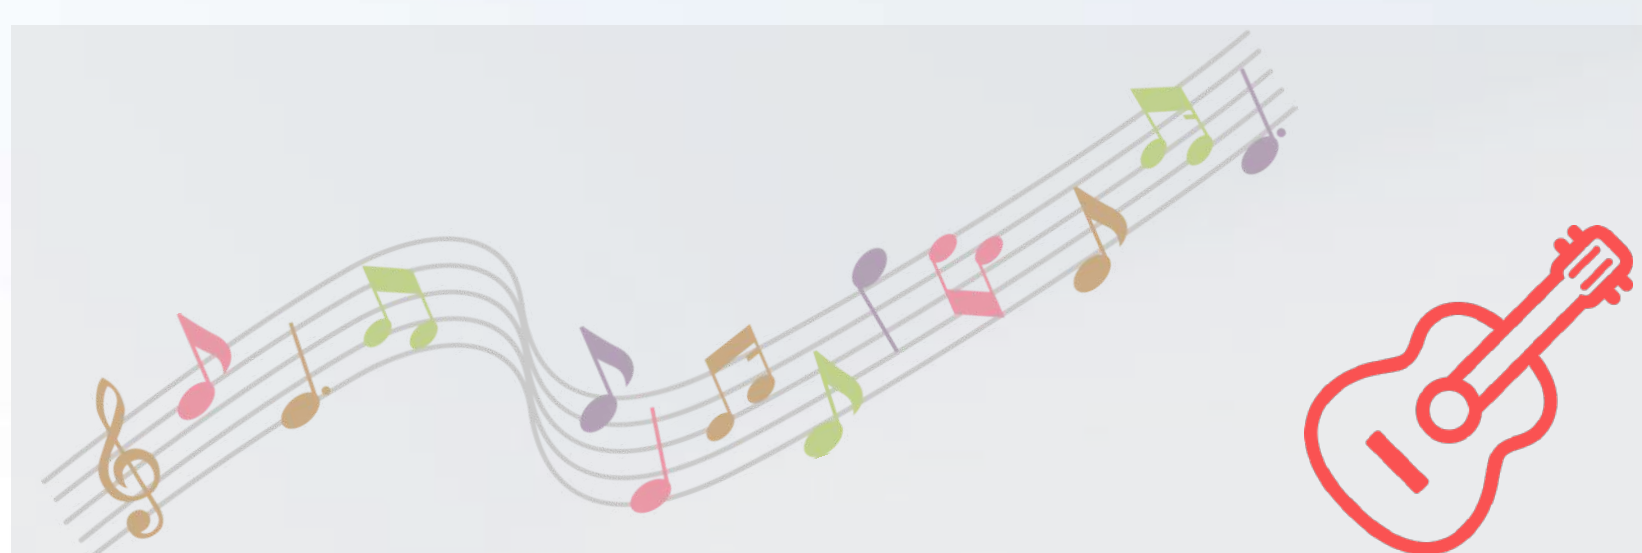

Join award winning children's musician Patty Shukla for an interactive session on music, movement, and media! Discover new curriculum-based music suitable for daily classroom use.

This session emphasizes three crucial areas of early childhood development, gross motor skills, fine motor skills, and literacy skills through music and movement. Access and explore high-quality, developmentally appropriate music resources for ongoing classroom use.

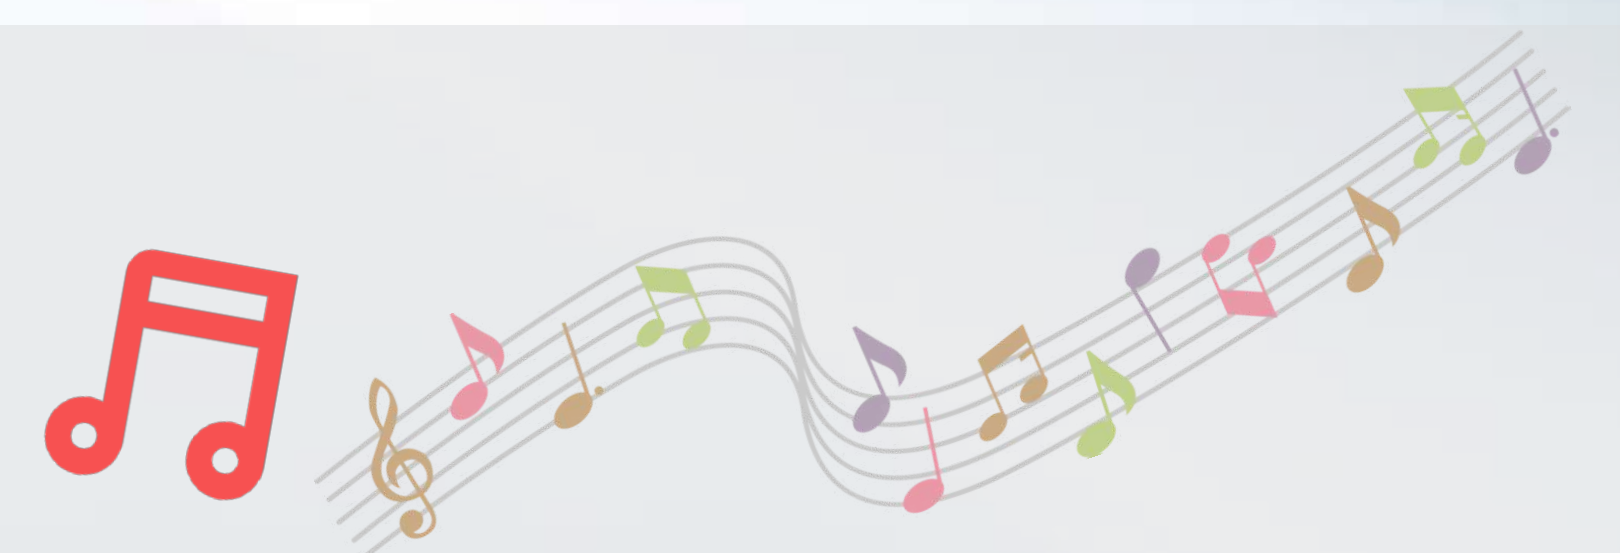

### OBJECTIVES

- Learn developmentally appropriate movement activities and songs that help children build a foundation of basic motor skills and improve overall health, coordination and self-confidence.
- Learn how to implement new gross motor, fine motor and literacy songs that involve children of all ability levels, backgrounds and cultures.
- Identify sign language, listening techniques and guidelines for large groups of children and audiences.
- Learn how to integrate songs through core curriculum areas such as language, math, solving problems, character building, shapes and more.

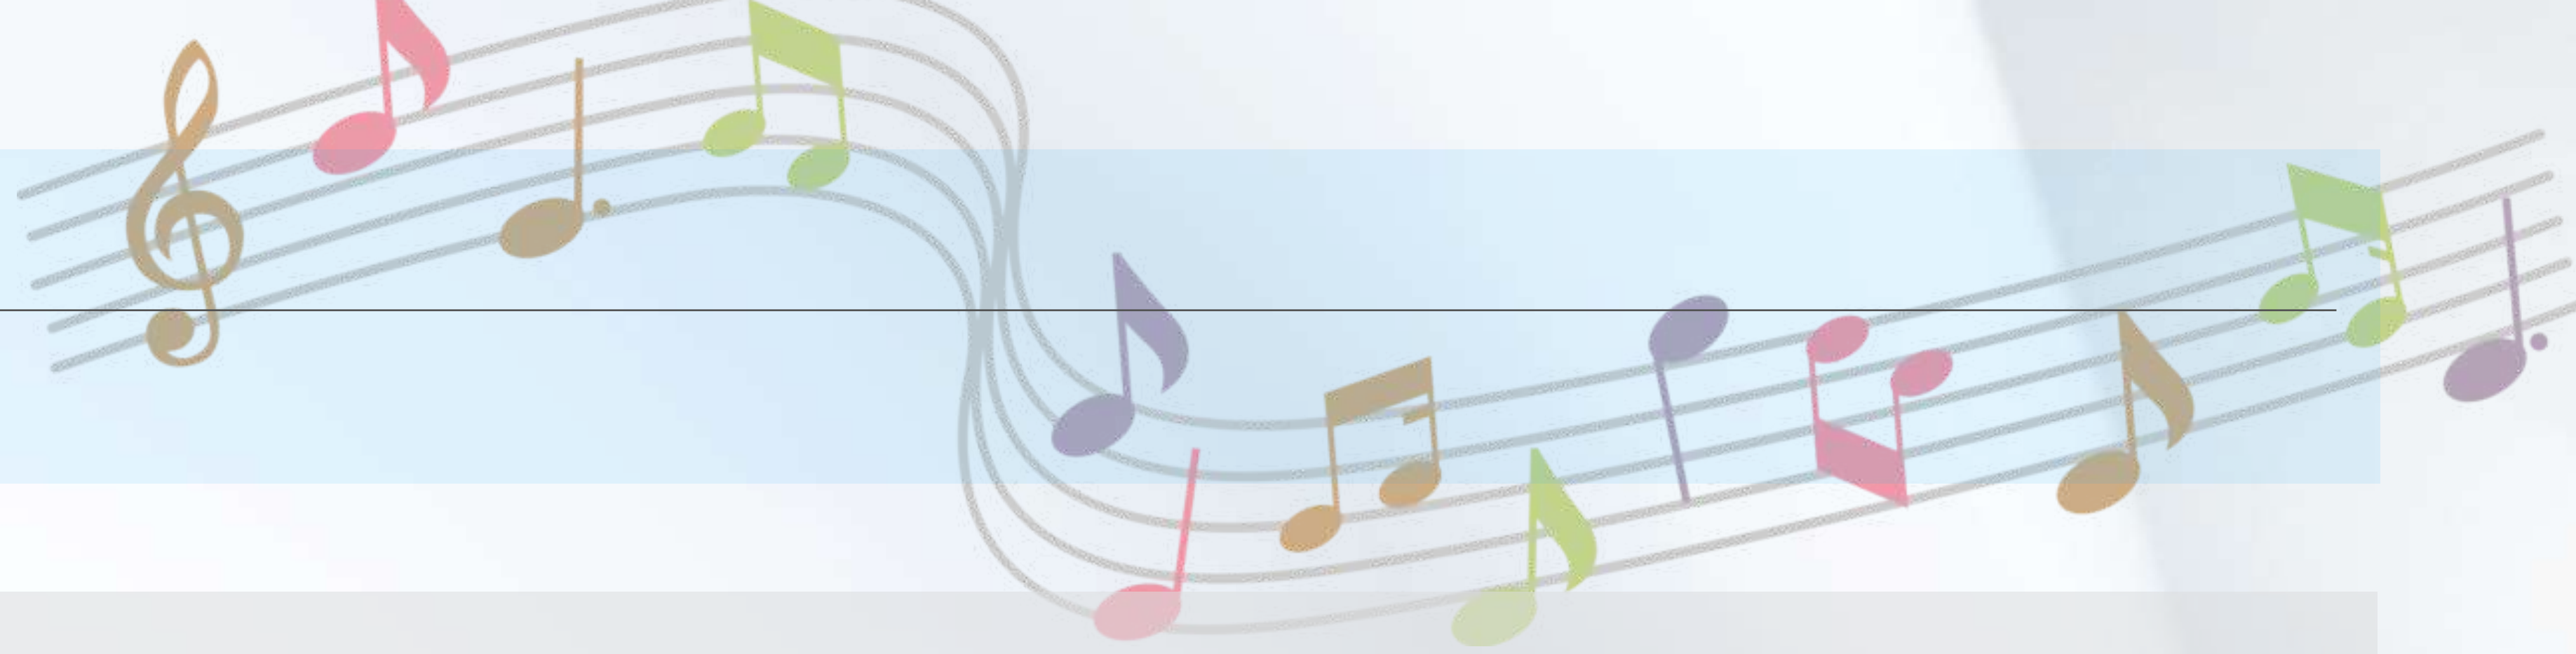

### LEARNING OUTCOMES

- |   |   |
